ST. ANDREW'S GRAMMAR

International Students English Language Policy

Purpose

International students must meet the School's academic and English language requirements before starting at the School. For students who are unable to meet the standard, no formal placement at the School can be confirmed.

Entry Requirements

As per the School Enrolment Form, **all** students are required to submit copies of their last two most recent school reports.

Students from English speaking countries are required to submit two recent school reports (passing results in English will be deemed as suitable evidence of English Language proficiency).

Students from non-English speaking countries, in addition to two English transcripts of their last two reports, should submit a copy of a current AEAS (Australian Education Assessment Services) assessment so that the School is able to determine the student's English language ability and the appropriate academic entry point. To find out further details about AEAS testing, visit the website at <http://aeas.com.au/home/welcome/>.

Alternatively, St. Andrew's Grammar will liaise with Phoenix Academy in Perth in cases where students have completed an intensive English language course at Phoenix Academy.

The Principal will also assess the student during an enrolment interview once the student arrives in Australia.

English Language Level Required

Students who already learn in an English language medium may not be required to submit additional proof of English levels.

Students commencing in Years 10 to 12 should have already reached an Upper Intermediate ESL level. Students commencing in Years 7-9 should have reached a high Intermediate level prior to commencing at St. Andrew's Grammar.

Students who have not reached the minimum English level will be required to take additional ELICOS training in a High School Preparation Programme in their home country or undertake an intensive English Course at a centre such as Phoenix Academy located at 223 Vincent Street West Perth until their English levels have improved sufficiently prior to commencing their course of study at St. Andrew's Grammar.

St. Andrew's Grammar does not offer English as a Second Language (ESL) classes and all prospective International students are expected to have acquired an English level appropriate to learning in an English language medium.
